MEMORANDUM FOR THE RECORD

SUBJECT : Cancellation Notice of Project GUSTO

REFERENCE: Memorandum for AFCIG-5 from Acting Chief, DPD, GUS-0384,
dated 31 August 1959

1. This will serve to record the fact that the document of reference was returned by Col. Leo P. Geary on 1 September 1959.

2. Col. Geary has advised that a formal debriefing of Air Force personnel concerning the cancellation of Project GUSTO would only create more problems than currently exist. The number of Air Force personnel knowledgeable of the Project are relatively few and approximately one-half of the GUSTO cleared Air Force personnel are scheduled to be briefed on the follow-on OXCART Project.

3. In view of Col. Geary's response to the referenced memorandum, no action was taken toward de-briefing GUSTO cleared Air Force personnel.
